

Burbank National Code of Conduct

Burbank National Little League (BNLL) is a program of service to the youth. We are geared to provide an outlet of healthful activity and training, under good leadership, in the atmosphere of wholesome community participation.

Little League is dedicated to helping children become good and decent citizens. We strive to inspire them with a goal and to enrich their lives towards the day when they must take their places in the world.

Our mission is to help the youth of our community become better individuals and develop their baseball skills. Baseball embodies the discipline of teamwork. It challenges players towards perfection of physical skills and brings into play the excitement of tactics and strategy.

The nature of baseball also teaches that while every player eventually strikes out or is on a losing team, there is always another chance for success in the next at bat, the next fielding play or the next game. Too often, in recent times, this ethic has been ignored to the detriment of our players, coaches, umpires and spectators. In an effort to return to the ideals outlined in our mission statement and to insure that all events remain safe and enjoyable for all members of the community, the Board of Directors of BNLL have adopted a policy of zero tolerance regarding abusive, rude or unsportsmanlike conduct by any player, coach, official or spectator.

The term Zero Tolerance encompasses a wide range of actions or verbiage directed from one person to another, or a group of people, including but not limited to:

Unsolicited physical contact which would constitute assault under state law

Profanity or verbal abuse directed towards any coach, player, umpire, official, spectator or any other participant.

Ejection from a game or surroundings for any other reason not consistent with the values of Burbank National Little league

Behavior or conduct that has the purpose or effect of creating an intimidating, hostile, or offensive environment for an individual or group, including but not limited to, race, ethnicity and sexual orientation

Effective November 1, 2015, with respect to any practice or game (camp, regular season, post season or all-star game) the BNLL Board of Directors hereby establishes a policy of zero tolerance which will be enforced in any situation where a player, coach or spectator are ejected from a game or asked to vacate the premises by an umpire or official of BNLL. The following consequences, while not all-inclusive, shall apply to all instances described above. For those actions not described, the BNLL Board of Directors will use these sanctions as a guide for determining an appropriate course of action.
